

Good afternoon Percy Panther Parents!

We here at Percy school love to spread kindness and good wishes to others, especially during the holidays. Most of us are fortunate enough to be able to spend the holiday with our families and friends. This year may look a little different for us but for families in the military it can be an exceptionally difficult time. People in the military sacrifice many things to allow us to enjoy our freedoms and the holidays are no exception for their duties. Many have to spend the holidays away from their families in other countries. This year we would like to show them our appreciation by sending them a little "Christmas Overseas". We will be creating decorations and other holiday crafts to send. We are hoping that you may be willing to help to support us by donating some of the other things that have been requested by those who will be away for the holiday season. If you can support our school with this holiday gift giving it would be greatly appreciated!

Here is a list of items requested:
